J. J. Gibson, Esq.,

Treasurer of the University of Toronto Alumni Association.

Dear Mr. Gibson:

In the absence of Judge Wasten may I venture to make a recommendation on behalf of one of our returned men who is urgently in need of funds at present ? I refer to Mr. C. H. Crowell who has been a regular student in the special session of the University in the Department of Architecture since January. Owing to money not having been sent to him from London, which he had been told by the authorities had been placed to his credit, he finds himself in serious difficulties. I would recommend that he be granted a loan of two hundred dollars in accordance with the resolution which was passed by the Alumni on Friday, March 21st.

I am enclosing a letter from the Assistant Professor of Architecture who vouches for Mr. Crowell's bona fides in so far as his connection with the University is concerned.

Yours sincerely,

President.

J. A. Gibson, Esq.,

Treasurer, Alumni Association, University of Toronto.

Dear Mr. Gibson:

At a meeting of the Committee appointed by the Alumni Association to dispense the Loan Fund I was appointed as Convener of an Advisory Sub-committee and was authorized to report to you cases on which we have decided favourably. The other members of the Committee are Professor C. H. Wallace and Professor J. J. Mackenzie.

In accordance with their recommendations I am forwarding to you two applications, one from Mr. G. H. Quell, who is registered in this University and also in the Royal College of Dental Surgeons. Mr. Quell also holds a Military Medal. He has asked to borrow for three years the sum of one hundred dollars.

I am also forwarding to you a recommendation on behalf of Mr. C. J. Mathews, who is a student in the Faculty of Applied Science. He is applying for a loan of fifty dollars.

We recommend that both these gentlemen should be granted loans and should give notes for the amounts received.

Yours sincerely,

President.

Treasurer, University of Toronto War Memorial.

Dear Mr. Gibson:

I am sending you two cheques amounting in all to two hundred and fifty-nine dollars and fifteen cents. This is from Dr. George A. Mackenzie, 46 Admiral Road, and should appear in the list as a subscription "in memory of Lieutenant G. D. H. Mackenzie", as part of it consists of the residue of his estate. Will you be kind enough to make a note that nobody should call upon Dr. Mackenzie for another subscription ? I will also speak to Mr. Carr about it.

Yours sincerely,
